The training seminars normally start at 8:00 AM and end at 4:00 PM. Attendees will participate online, from their home / office computer. Attendees will receive live instruction via WebEx, and will connect remotely to a dedicated AutoForm training computer to work on training exercises. A computer with two monitors is required to participate effectively in the training seminar. WebEx and remote connection links, and related instructions, will be sent by email to each attendee prior to class.

### **Number of Participants**

To ensure the effectiveness of the online training seminar, the number of participants per course is limited. Therefore, we recommend registering as soon as possible. In case a course is full, we will try to suggest an alternative date.

### **Postponement or Cancellation of Online Training Seminar by Participant**

If we receive your written cancellation more than 14 days prior to the online training start-date, there is no cancellation fee. For cancellations received within 14 days of the online training start-date, we must charge a cancellation fee of 25% of the online training Fee. However, if you cannot attend a course for which you have registered, you can substitute another participant from your company (in this case, the Participation Conditions apply to the new participant).

### **Postponement or Cancellation of Training Seminar by AutoForm**

AutoForm reserves the right to cancel any online training seminar, if there are insufficient registered participants. In this case, registered participants will be informed one week prior to the online training start-date. Also, AutoForm reserves the right to cancel any online training seminar at any time prior to the start-date, due to illness or accident, or any other circumstances which prevent the online training seminar from being carried out. In this case, AutoForm will inform the registered participants immediately of the cancellation of the seminar. Registered participants will be rescheduled for a future online training session. If rescheduling is not possible, AutoForm will issue a refund.
